**AGREEMENT BETWEEN PARENTS (CUSTOMERS)
AND RENAISSANCE, INC.
ON LEGAL SERVICES AGENCY**

The contract contains all the essential information about the agency, about all the organizational steps, the costs of the services connected with fertilization, surrogacy and egg donation, and the terms of payments.

The RENAISSANCE, INC. herein agrees to any services (referred to as “SERVICES”) described in Article I concerning the **IDEAL Package**. This document confirms that during the IVF procedure the AGENCY is to bear all the necessary expenses concerning maintaining the surrogate mother during the pregnancy and the cost of egg donation. At the same time, the AGENCY makes sure that the surrogate mother does not undertake any activity that could endanger the pregnancy.

According to this agreement the biological PARENTS agree to pay the amount of money which is specified in Article II of the **IDEAL Package**.

Note: The package including egg donation with transition to surrogacy costs **€12,000** or **€30,000**.

This package is ideal for clients as it contains unlimited number of attempts. In case of a failed attempt of donation the program moves to surrogacy without losing money but with transition to surrogacy from the third payment.

The donation program costs **€12,000** (1, 2 or more attempts). In case a positive result hasn't been achieved it is possible to move to surrogacy without losing payments. **€12,000** counts as the first and the second payment for surrogacy package. The program begins with the second visit to the clinic to perform the pick-up and embryos transfer.

If the result is positive, no additional payment should be paid.

Organizational part

1. During the first visit (1 to 2 days) the patients are met at the airport by the representatives of RENAISSANCE, INC.
2. Biological parents are provided with a comfortable accommodation during the entire stay.
3. Food supply during the first visit is included in the cost of the package.

4. The first visit to the clinic implies medical consultation by the supervising physician.
5. Service of an interpreter for the entire period of the program.
6. During the second visit (5 to 10 days) the pick-up of the biological father's sperm, fertilization of donor's eggs and embryos (blastocysts) transfer into the uterine cavity (on the 5th day after fertilization) are performed.
7. Accommodation and food supply are the same as during the first visit.

Medical part

First of all we need to know the genetic father's blood group.

1. The couple sends information about the desirable characteristics of the donor (height, weight, hair color, eyes color, nose shape etc.).

We select three donors corresponding to the phenotypes of the couple and send the information about the donors to the clients.

2. The couple selects the desirable donor.

Our requirements for the donors are:

- a) age from 18 to 25;
- b) perfect physical health;
- c) perfect mental health;
- d) absence of genetic diseases in the donor and her family (siblings, parents, uncles, aunts, grandparents).

3. The couple will need to come to Ukraine at least twice:

The first visit (1 to 2 days) includes medical examination and organizational meeting. RENAISSANCE, INC. provides information on the program, organizational and medical parts and terms of the contract.

During the second visit (5 to 10 days) the sperm pick-up, fertilization of donor's eggs and embryo transfer on the 5th day after fertilization are performed.
